**2022 EPAS
General Questions Bank for Site Visitors**
for Baccalaureate and Master's Social Work Programs

All site visitors reviewing programs using the 2022 EPAS for reaffirmation ask programs general questions to understand stakeholder experiences and gather information related to all five (5) accreditation standards on behalf of the BOA. Site visitors select questions from this General Questions Bank. For each general question, visitors include the question(s) asked, the stakeholder(s) asked, and their findings based on the discussion at the visit and any objective observations in the site visit report. Site visitors must discuss general questions related to all five (5) accreditation standards over the course of the visit, yet each visitor decides the question(s) from this General Questions Bank deemed appropriate to collect the information from program stakeholders.

This bank was developed by the Department of Social Work Accreditation (DOSWA) and the Board of Accreditation (BOA). Site visitors are encouraged to choose the general questions according to the unique context of the program after reviewing the program's self-study and BOA-issued Letter of Instruction (LOI).
