Dear Colleagues:

The Council on Social Work Education (CSWE) invites you to apply to serve on one of our 17 distinguished CSWE commissions or councils. Annually, CSWE publishes a detailed account of the organization's work, including the contributions of the commissions and councils, during the previous fiscal year. The 2017–2018 CSWE Annual Report is [now available](#) (PDF).

We hope the report will give you a deeper appreciation of the contributions member volunteers provide to CSWE operations. Members of CSWE commissions and councils are invaluable to advancing the work of the organization and the work of professional social workers. Each year CSWE seeks to identify new leadership for our commissions and councils, and **we hope you will be inspired to join us!**

For more information about the application process, please visit the [CSWE Website](#).

I look forward to receiving your applications.

Sincerely,
