

Factors Contributing to Intervention Outcomes

Full Report, Summary, and Practice Applications

[Factors Contributing to Outcomes of Stable Housing, Permanent Connections, Education, Employment, and Well-Being for Lesbian, Gay, Bisexual, Transgender, and Questioning Youth Experiencing Homelessness: A Systematic Review](#) [Full Report]

[Creating a Safe, Affirming Environment for LGBTQ Youth in Transitional Living Programs \(TLPs\)](#) [Summary]

The objective of this review was to identify and synthesize studies of interventions related to stable housing, permanent connections, education, employment, and well-being for LGBTQ youth experiencing homelessness. The focus was on epidemiological studies that attempted to discover what factors moderated the outcomes/effects of these intervention.
