Annual Survey of Social Work Programs: Practice Doctorate Programs

Welcome to the 2017 CSWE Annual Survey of Social Work Programs for social work practice doctorate (DSW) programs. The annual survey collects information about social work practice doctorate programs, students, and graduates. This information is used by the social work education community in research, program planning, and advocacy work. Your participation is critical in obtaining a complete picture of social work education and future professionals.

The Annual Program Statistics section of the CSWE website includes easy-to-print reference copies of the survey instrument. If you have any questions or concerns, please contact the research associate, Katie Benson, by e-mail (research@cswe.org) or phone (571.527.3483). Thank you in advance for participating in this important process. Please note that the survey will time out after 60 minutes. If you need to step away for an extended period of time, please use the "Save and Continue Later" button. **New Feature:** The data you enter on all previous pages will be automatically saved when you click the "Next" button at the bottom of a page. You do not have to exit the survey to save your previous work. **Printing your report:** You can print a copy of your report when you choose to "save and continue later" and on the survey submission confirmation page.
